VASCULAR PLANTS					
Queen Charlotte Avens	<i>Geum schofieldii</i>	E	RED	NA	Island endemic with limited number of occurrences
Queen Charlotte Isopyrum	<i>Isopyrum savilei</i>	E	NR	NA	Island endemic
Alp Lilly	<i>Lloydia serotina flava</i>	E	BLUE	NA	Island endemic
Taylor's Saxifrage	<i>Saxifraga taylori</i>	E	BLUE	NA	Island endemic
Queen Charlotte Twinflower Violet	<i>Viola biflora carlottae</i>	E	BLUE	NA	Island endemic
Cordate-leaved Saxifrage	<i>Saxifraga nelsoniana carlottae</i>	E	RED	NA	Small population endemic to a small region
Newcombe's Butterweed	<i>Senecio newcombei</i>	E	YELLOW	NA	Island endemic
Vancouver Island Beggersticks	<i>Bidens amplissima</i>	E	BLUE	SC	Small population endemic to a small region
Macoun's Meadow-foam	<i>Limnanthes macounii</i>	E	BLUE	SC	Island endemic
Calder's Lovage	<i>Ligusticum calderi</i>	R	BLUE	NA	Small population endemic to a small region
Queen Charlotte Butterweed	<i>Senecio moresbiensis</i>	R	BLUE	NA	Small population endemic to a small region
Glabrous Dwarf Willow	<i>Salix reticulata glabellifarpa</i>	R	RED	NA	Small population endemic to a small region

Lance-fruited Draba	<i>Draba lonchocarpa</i> var. <i>thompsonii</i>	R	BLUE	NA	Small population endemic to a small region
Lake Louise Arnica	<i>Arnica louiseana</i>	R	BLUE	NA	Small population endemic to a small region
Pink Agoseris	<i>Agoseris lackschewitzii</i>	R	BLUE	NA	Small population endemic to a small region
Bourgeau's Milk-vetch	<i>Astragalus bourgovii</i>	R	BLUE	NA	Small population endemic to a small region
Hooker's Thistle	<i>Cirsium hookeriana</i>	R	BLUE	NA	Small population endemic to a small region
Woolly Daisy	<i>Erigeron lanatus</i>	R	YELLOW	NA	Small population endemic to a small region
Three-lobed Daisy	<i>Erigeron trifidus</i>	R	RED	NA	Small population endemic to a small region
Sandberg's Desert-parsley	<i>Lomatium sandbergii</i>	R	BLUE	NA	Small population endemic to a small region
Dwarf Poppy	<i>Papaver alpinum</i>	R	NR	NA	Small population endemic to a small region
Oval Penstemon	<i>Penstemon ellipticus</i>	R	YELLOW	NA	Small population endemic to a small region
Lyall's Phacelia	<i>Phacelia lyallii</i>	R	BLUE	NA	Small population endemic to a small region
Banff Bluegrass	<i>Poa laxa banffiana</i>	R	RED	NA	Small population endemic to a small region
High Alpine Butterweed	<i>Senecio conterminus</i>	R	BLUE	NA	Small population endemic to a small region
Salish Daisy	<i>Erigeron salishii</i>	R	RED	NA	Small population endemic to a small region
Fern-leaved Goldthread	<i>Coptis asplenifolia</i>	R	NR	NA	Loss of closed-canopy forest
Lance-fruited Draba	<i>Draba lonchocarpa</i> var <i>vestita</i>	R	BLUE	NA	Small population endemic to a small region
Swamp Gentian	<i>Gentiana douglasiana</i>	R	YELLOW	NA	Small population endemic to a small region
Bird's-beak Lousewort	<i>Pedicularis ornithorhyncha</i>	R	YELLOW	NA	Small population endemic to a small region
Alaska Holly Fern	<i>Polystichum setigerum</i>	R	RED	NA	Small population endemic to a small region
Cooley's Buttercup	<i>Ranunculus cooleyae</i>	R	YELLOW	NA	Small population endemic to a small region
Menzies' Burnet	<i>Sanguisorba menziesii</i>	R	BLUE	NA	Small population endemic to a small region
Boreal Paintbrush	<i>Castilleja fulva</i>	R	BLUE	NA	Small population endemic to a small region
Jordal's Locoweed	<i>Oxytropis jordalii</i> ssp. <i>davisii</i>	R	BLUE	NA	Small population endemic to a small region
Raup's Willow	<i>Salix raupii</i>	R	RED	NA	Small population endemic to a small region

Swift Forktail	<i>Ischnura erratica</i>	R	YELLOW	NA	
Sinuous Snaketail	<i>Ophiogomphus occidentalis</i>	R	YELLOW	NA	
Olive Clubtail	<i>Stylurus olivaceus</i>	R	RED	NA	
Black Petaltail	<i>Tanypteryx hageni</i>	R	BLUE	NA	

BUTTERFLIES

Alexandra's Sulphur, <i>columbiensis</i> ssp.	<i>Colias alexandra columbiensis</i>	E	YELLOW	NA	Small population endemic to a small region; inclement weather affects number of eggs laid;
Vancouver Island Anna's Blue	<i>Lycaeides anna vancouverensis</i>	E	YELLOW	NA	Island Endemic
Greenish Blue, <i>insulanus</i> ssp	<i>Plebejus saepiolus insulanus</i>	E	RED	E	Island Endemic; likely extinct
Chilcotin Fritillary	<i>Speyeria callippe chilcotinensis</i>	E	NR	NA	Small population endemic to a small region
Beringian Fritillary, <i>nabokovi</i> ssp	<i>Clossiana (Boloria) natazhathi nabokovi</i>	E	BLUE	NA	Small population endemic to a small region; populations separated by large distances
Lorquin's Admiral, <i>ilgae</i> ssp.	<i>Limenitis lorquini ilgae</i>	E	NR	NA	Small population endemic to a small region
Clodius Apollo ssp. <i>pseudogallatinus</i>	<i>Parnassius clodius pseudogallatinus</i>	L	YELLOW	NA	Small population endemic to a small region; requires riparian openings; larval food plant threatened by herbicides and burning
Rocky Mountain Apollo ssp. <i>olympianus</i>	<i>Parnassius smintheus olympianus</i>	L	YELLOW	NA	Small population endemic to a small region
Oregon Swallowtail	<i>Papilo bairdii oregonius</i>	L	YELLOW	NA	
Baird's Swallowtail, <i>pikei</i> ssp	<i>Papilo bairdii pikei</i>	L	BLUE	NA	Small population endemic to a small region
Spring White, ssp. <i>beringiensis</i>	<i>Pontia sisymbrii beringiensis</i>	L	BLUE	NA	Small population endemic to a small region
Margined White, ssp. <i>guppyi</i>	<i>Pieris marginalis guppyi</i>	L	RED	NA	Small population endemic to a small region; requires low-moderate disturbance for forest openings for larval food plant reproduction
Margined White ssp. <i>tremblayi</i>	<i>Pieris marginalis tremblayi</i>	L	YELLOW	NA	Requires low to moderate disturbance to create openings in the forest necessary for its larval food plant to reproduce

Sara Orange Tip, <i>alaskensis</i> ssp	<i>Anthocharis sara alaskensis</i>	L	YELLOW	NA	Small population endemic to a small region
Canadian Sulphur	<i>Colias canadensis</i>	L	YELLOW	NA	
Reakirt's Copper, <i>charlottensis</i> ssp	<i>Lycaena mariposa charlottensis</i>	L	YELLOW	NA	Small population endemic to a small region
Nelson's Juniper Hairstreak	<i>Callophrys gryneus nelsoni</i>	R	NR	NA	
Johnson's Hairstreak	<i>Loranthomitoura (Callophrys) johsoni</i>	L	RED	NA	Eradication of larval food plant (mistletoe); <i>Bt</i> spraying of gypsy moths
Moss' Elfin, <i>mossii</i> ssp.	<i>Incisalia (Callophrys) mossii mossii</i>	L	BLUE	NA	Urbanization of southern Vancouver Island; grazing and human trampling of larval food plant.
Boisduval's Blue, <i>blackmorei</i> ssp.	<i>Icaricia icarioides blackmorei</i>	L	BLUE	NA	Small population endemic to a small region; loss of native food plant (<i>Lupinus latifolius</i>) due to Scotch broom invasion and fire suppression
Bremner's Fritillary	<i>Speyeria zerene bremnerii</i>	L	BLUE	NA	Loss of food plants due to Scotch broom invasion
Albert's Fritillary	<i>Clossiana (Boloria) alberta</i>	L	BLUE	NA	Small population endemic to a small region
Tacoma Fritillary	<i>Clossiana chariclea rainieri</i>	R	YELLOW	NA	Small population endemic to a small region
Western Checkerspot	<i>Euphydryas chalcedona paradoxa</i>	L	YELLOW	NA	Small population endemic to a small region
Taylor's Checkerspot	<i>Euphydryas editha taylori</i>	L	RED	E	Loss of adult nectar plant (<i>Lomatium</i>

Common Ringlet, <i>insulana</i> ssp.	<i>Coenonympha californica insulana</i>	R	RED	NA	<i>utriculatum</i>) has lead to population extinctions; susceptible to global warming; Scotch broom invasion altering habitat; only one extant population (Horny Island)
Common Woodnymph, <i>incana</i> ssp Vidler's Alpine	<i>Cercyonis pegala incana</i> <i>Erebia vidleri</i>	L L	BLUE YELLOW	NA NA	Requires grassland resistant to summer drought and does not flood in winter; grassland loss due to shrub invasion & urbanization
Great Arctic White-vieined Arctic, <i>edwardsi</i> ssp.	<i>Oeneis nevadensis</i> <i>Oeneis bore edwardsi</i>	R R	BLUE BLUE	NA NA	Small population endemic to a small region; alpine

MAMMALS

Wolverine, <i>vancouverensis</i> ssp.	<i>Gulo gulo vancouverensis</i>	E	RED	SC	Island Endemic; require secluded and covered natal sites; forestry may affect movement; food source (Elk) require old-growth forests in winter; avoid humans 
Wolverine-lucus subsp.	<i>Gulo gulo luscus</i>	R	BLUE	SC	
Vancouver Island Marmot	<i>Marmota vancouverensis</i>	E	RED	E	Island Endemic; predation mediated by forestry
Townsend's Vole, <i>cowani</i> ssp.	<i>Microtus townsendii cowani</i>	E	RED	NA	Island Endemic; predation and competition from non-native species
Ermine, <i>anguinae</i> ssp.	<i>Mustela erminea anguinae</i>	E	BLUE	NA	Island Endemic; loss of prey
Ermine, <i>haidarum</i> ssp.	<i>Mustela erminea haidarum</i>	E	RED	T	Island Endemic; loss of prey
Pika, <i>septentrionalis</i> ssp.	<i>Ochotona princeps septentrionalis</i>	E	RED	NA	Small population endemic to two mountain systems; alpine
Water Shrew, <i>brooksi</i> ssp.	<i>Sorex palustris brooksi</i>	E,T	RED	NA	Island Endemic; riparian obligate
Least Chipmunk, <i>selkirki</i> ssp.	<i>Tamias minimus selkirki</i>	E	RED	NA	Small population endemic to three locations in one mountain range; alpine
Northern Pocket Gopher, <i>segregatus</i> ssp.	<i>Thomomys talpoides segregatus</i>	E	RED	NA	Small population endemic to small region; urbanization; <i>legal</i> trapping (considered agricultural pest)
Southern Red-backed Vole	<i>Clethrionomys gapperi occidentalis</i>	R	RED	NA	Likely extirpated; historic records from Vancouver city
Sea Otter	<i>Enhydra lutris (kenyoni)</i>	R	RED	T	Oil spills; drowning; predation; loss of kelp forests
Snowshoe Hare, <i>washingtonii</i> ssp.	<i>Lepus americanus washingtonii</i>	R	RED	NA	Loss of forests & woodlands due to urbanization; predation from dogs, cats, coyotes; competition from non-native cottontails
Long-tailed Weasel, <i>altifrontalis</i> ssp.	<i>Mustela frenata altifrontalis</i>	R	RED	NA	Likely extirpated; loss of habitat in the Fraser Valley due to urbanization and agriculture; grazing; trapping; wetland draining; pesticides; loss of coarse woody debris
Keen's Long-eared Myotis	<i>Myotis keenii</i>	R	RED	SC	Small population endemic to a small region; loss of roost cavities; loss of hibernacula due to mining and recreation
Bighorn Sheep	<i>Ovis canadensis</i>	P	BLUE	NA	Degradation of migratory and wintering habitat; livestock grazing; overharvesting; fire suppression leading to loss of grasslands; populations isolated
Dall's Sheep	<i>Ovis dalli dalli</i>	R	BLUE	NA	Overharvesting; natural resource development
Cascade Mantled Ground Squirrel	<i>Spermophilus saturatus</i>	R	BLUE	NAR	Small population endemic to a small region; competition with Columbian Ground Squirrel
Northern Bog Lemming, <i>artemisiae</i> ssp.	<i>Synaptomys borealis artemisiae</i>	R	RED	NA	Small population endemic to a small region; competitor introduction mediated by forestry
